A Letter From Sally

Hello Senior Class!

My name is Sally Krueger and I have had the extreme pleasure of photographing highschool Seniors for the last 7 years, and honestly...it is a DREAM JOB!!

Senior pictures are not what they used to be, friends! Gone are the days of the jacket swung casually over the shoulder or the old "hand under the chin" pose. Today's Seniors are expressive, creative, unique individuals and it is my honor to capture this moment in your lives! And, I promise you

this...that your session will be fun! We have ALL been given a BEAUTIFUL natural smile, and that smile comes out when we are having FUN! So that is my number one goal...for you to feel comfortable, relaxed and have a ton of FUN!

Sincerely Yours,

Sally

RECENTLY, I HAD MY OWN PHOTO SESSION TO UPDATE MY HEADSHOTS AND GOT A FIRSHAND LOOK AT WHAT IT FEELS LIKE TO BE IN FRONT OF THE CAMERA.

AND ONE THING I KNOW - YOU HAVE GOT TO FEEL COMFORTABLE WITH YOUR PHOTOGRAPHER!! SO IN ORDER TO HELP WITH THAT PROCESS, I THOUGHT IT WOULD BE FUN FOR YOU TO GET TO KNOW A LITTLE ABOUT ME.

THE FOLLOWING ARTICLE GIVES YOU 25 FUN FACTS THAT I TRULY HOPE YOU'LL ENJOY!

photo credit: Lara Koppmann

FUN FACTS

1. I have unusaully big ears, and apparently they were this big when I was a baby - my mother was told "she'll grow into them!"
 2. I've moved 17 times in my 49 years.
 3. I cannot make a sunny side up egg to save my life!
 4. I once had my portrait sketched by a Vietnamese artist on the Charles Bridge in Prague.
 5. My nose is often cold. just my nose. weird...
 6. Staying on the nose theme - I've often sneeze or get a runny nose while in the checkout line at the grocery store. No kidding - like about 75% of the time. I'm thinking I must be allergic to conveyor belts!
 7. I have a knack for retaining useless trivia. I could have made a killing on "Who wants to be a Millionaire."
 8. Sunglasses (or any glasses for that matter) do not fit my face. I think my extra large ears are off kilter.
 9. I can make a ridiculously loud popping noise with my mouth.
 10. I am a political junkie.
 11. I get irritated if I can't do something well right away - Keith had a tough time trying to teach me tennis and golf.
 12. I like plants but can't seem to keep them alive. (Although I do have a Cactus that seems to be doing well).
 14. I love doing crafts and art projects with my kids.
 15. I can't seem to type the word "photogrpahy*" correctly...ever... <----- (see!)
 16. I have gained an appreciation for history as I've gotten older. Love early American as well as the British monarchy - great stories all around. Lady Jane Grey topping the list on the Brit side.
 17. I am a mushroom person.
 18. I really enjoy cooking - but I like cookbooks even more! Might be addicted.
 19. I once sat next to John Schneider at a "Children's Miracle Network" dinner...and all I came up with to say was - "My mother never let me watch the Dukes of Hazzard." Nice.
 20. I usually only manage to smile and wave until I've had my coffee in the A.M.
 21. I am so grateful for my church!
 22. My childhood nicknames included "silly sally," "salamander s ally," "sally davis, jr.!" and of course, "Sally Belle!"
 23. I love Sherlock Holmes anything... books, movies, TV... "elementary!"
 24. I can no longer do a backward roll...as my strained neck will prove
 25. I cut my LONG hair on a whim
- Bonus - My greatest loves include Jesus, my sweet husband Keith, my 3 kiddos, Caleb, Chloe & Bella...and of course, (photogrpahy), photography!

All About Your Session!

I truly love working with Seniors! One of the reasons for that, is that no session is ever the same! I endeavor to shape your session around who you are! Do you love a certain sport? Are you a city person or someone who loves the natural beauty of the countryside? Are you a musician? An adventurer? An artist? A coffee lover? I could go on and on! Therefore, one of the first things I will do first, is chat with you about your thoughts and desires for your session. If you don't have any ideas in particular, I can certainly give you plenty of options, but I love to ask you first in order to truly make your session YOURS!

Second, senior sessions typically last between 1 and 2 hours. Some seniors like to have more than one outfit, which is perfectly fine! It's fun to have LOTS of options to choose from and outfit changes help with that. I do work primarily in outdoor/natural light settings and can give you loads of location ideas if you need them! I do typically stay within Lancaster County, however arrangements can be made for locations that require some travel time. Third, I find sessions work best when it's just me & you! If mom or dad is along, we can usually find a spot for them to grab a latte or do some shopping while we do the session. I find that parents like the "me" time!! And lastly, I tell all of my clients, don't worry about "knowing how to pose or what to do!" I put on my "bossy-pants" and will tell you exactly what to do! You can always give ideas and input if you want - but for those who don't know what to do...I will help you out all along the way!!

**FLOWER CROWN!!
YES!**

Don't be afraid to express yourself!

Calling all Athletes!!
I absolutely love to capture my athletes in their element!

Neutrals mixed with some pattern can be an awesome look! As can that POP of color! I am definitely a fan of color!!

ONLY RULES

- 1.) Be Yourself
- 2.) Be comfortable! (don't wear something you would never wear any other time)

Ladies - if you love dresses - by all means wear one!! Pair it with your natural smile - GORGEOUS!!

**WHAT
TO
WEAR???**

Are you a hat person? Then go for it! I always tell my Seniors - wear what looks like YOU! That way you can look back at your photos and recognize that person! You be you!

Let's get Creative!

It's true - the possibilities are endless! There are so many beautiful locations in Lancaster County! We really do live in a stunning area of the country. (Lucky us!) After we chat, I'll have a good sense of what locations might be right for you, and can give you plenty of suggestions too! I often have seniors who suggest places that are very special to them, and when a place has sentimental value, it makes your photos that much more meaningful!

WHERE TO GO??

VAL

Val came out to Lancaster all the way from Wisconsin! She and my niece Katie came for a visit and we could not pass up the opportunity to do Senior Pictures while they were here! We chose a beautiful local patch of wildflowers for her session and it could not have been more perfect!! Val brought along a beautiful wide brimmed hat that fit her style and personality perfectly!! What a joy capturing this beautiful girl!

Jackson

Jackson grew up on a family dairy farm and there seemed to be no better place for his session than home sweet home. Sprawling acres of farmland, a beautiful barn, & his family's bed & breakfast. A truly idyllic spot!! I will never forget when I asked him "what was it like like growing up here?" He answered with simple sincerity - "It was AWESOME!!"

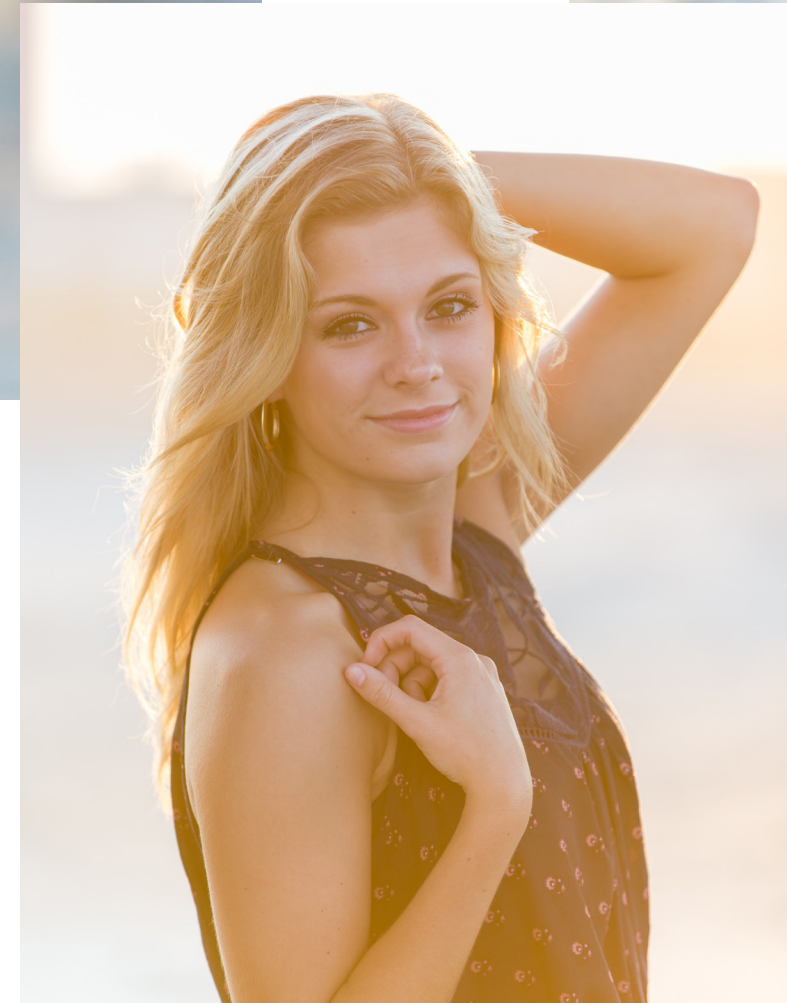

Guitar Hero

"Music is a more potent instrument for education than any other, because rhythm and harmony find their way into the inward places of the soul."

BEACH BEAUTY

My niece, Katie, came all the way from Wisconsin...and when you come that far - you deserve a session at the beach!! Golden hour sunlight and her blond beach waves were a perfect combination! we had so much fun getting these beautiful memories of her.

COURAGE TO
PURSUE THEM.

JOSH

Josh loved basketball, and I loved that he wanted to incorporate that into his senior portraits! Including something in your session that helped to shape and define your high school experience can be an excellent idea!

"BE STRONG WHEN YOU ARE WEAK, BRAVE WHEN YOU ARE SCARED, AND HUMBLE WHEN YOU ARE VICTORIOUS."

Kathryn

ballerina girl

Kathryn had kept ALL of her ballet shoes since she was a little girl. How amazing is that? I just thought - there has to be a beautiful way to incorporate this amazing collection into her photos. And as soon as I saw the steps at St. James Episcopal Church, I knew exactly what to do with them! The resulting photo above remains one of my favorites to this day!

When you dance, your purpose is not to get to a certain place on the floor, it's to enjoy each step along the way.

LEIGHA

Leigha's session started out at Rockford Plantation in Lancaster County Park. And both the location and Leah radiated pure natural beauty! Between Leigha's GORGEOUS red wavy hair, the deer grazing in the background, and that TREE... I was beside myself!

Photographer's dream come true!

Snow Day

EVAN

Evan REALLY wanted Senior pictures in the snow!!! But try as we might, the weather was not cooperating...until this crazy Spring Snowstorm! Schools closed, businesses shut down and Evan & I got to do the best snow session ever!!
